# Wright & Well Retail Sales Plan

Securing the best in business first

Every aspect of the Wright & Well brand—including its name, packaging and supporting materials—is rooted in thorough industry and consumer research. To complement the formulations, the look and feel of the brand resonates with the intended audience. Our signature “bloom box” creates a surprising experience for the first-time user, along with a special message underneath the bottle designed to delight. This packaging stands out on any shelf to help boost sales.

Our entry into the market was thoughtful and executed with intention. We laid a plan to maximize impact in the emerging market while safely working within guidelines and regulations. We are well-positioned to support expanding markets with strategic partners, including a Portland-based media group, Gold and Yashar, who have specialized knowledge of the cannabis industry. Leveraging their expertise, the team is designing omni-channel marketing assets for radio, tv and digital channels that are tailored specifically for the Oregon market. In addition, Yield Growth will host a launch event in Portland with brand ambassadors.

## WRIGHT & WELL

# Wright & Well Manufacturing Inc.

Cosmetics and Wellness Products Infused with CBD

Wright & Well Manufacturing is a retail and e-commerce sales distribution channel established for legal cannabis beauty, health and wellness products throughout the US. Based on our proprietary method for hemp root oil extraction, Wright & Well offers consumer skincare and wellness products infused with CBD. All Wright & Well products are formulated by an Ayurvedic practitioner with three decades of experience, and rigorously tested for quality, purity and safety.

The initial distribution portfolio goal is ten brands, including Yield Growth's own Urban Juve and a Wright & Well CBD product line in development. Wright & Well's core services include distribution, legal analysis, marketing, B2B sales and e-commerce support for brands. Wright & Well will charge a distribution fee as a percentage of sales, plus fees for added services.

# What is Cannabidiol (CBD)?

CBD is a phytocannabinoid—a chemical compound derived from Cannabis hemp. Numerous medical studies suggest CBD could compete as the leading natural treatment for a variety of conditions.

## Benefits:

- Legal in the US if the content under 0.03%
- Legal in Canada if derived from non-flower parts of industrial hemp plant
- 100% natural
- Non-toxic
- Zero side effects
- Safe to use with other medications
- Safe for pregnant and breastfeeding women
- Safe for pets

## Effectively treats:

- Swelling
- Joint pain
- Migraines
- Anxiety
- Depression
- PTSD
- ADD and ADHD
- Eating disorders
- Gastrointestinal disorders
